

## CHC Units Available to ASC Students Semester 2, 2018

Prerequisite suggestions exist in order to help you and your registrar determine that you possess the prior knowledge and/or skills necessary to engage with and successfully complete units. **CHC will let the registrar and your advisor at your home university determine whether you are qualified to enrol in units with prerequisites, so you may enrol in units even if you do not have the exact prerequisites.** It is up to your home institution to decide if you have sufficient knowledge or ability to complete units without the stipulated prerequisite requirements.

Students have the option to option to exchange one unit for a cross-institutional unit offered by Queensland University of Technology (QUT). Information regarding QUT units is available from ASC staff. **Students must enrol in a total of 4 units (16 credits).**

*Please note that this is not the unit timetable. As you make a plan we suggest choosing a selection of units in case times conflict with your ASC requirements or other classes. Some units delivered as intensives are scheduled on weekends and may conflict with ASC trips.*

### AUSTRALIA STUDIES CENTRE UNITS

Unit	US credits	Mode	Prerequisite suggestions
AS200 The View from Australia	4	Internal	Nil
CS254 Australian Indigenous Worldviews*	4	Internal	Nil

\* Students may choose to opt out of CS254 in exchange for additional elective credits. Please note that the Stradbroke Island trip is connected to CS254, so students who opt out will not participate in that trip.
