

QUT Units Available Semester 1, 2019

It is important to note some units may require previous study knowledge, please click on “[Information about the Unit](#)” to view the Unit Outline (syllabus). Make sure you read the information in the outline called “[Previous Study Requirements](#)” and check with your advisor to determine whether you have sufficient knowledge or ability to complete these units. (12 credits at QUT is equal to 4 US credits).

Please note that this is not a timetable. As you plan we suggest choosing a selection of units in case times conflict with your ASC requirements, trips or other classes. Offer to some units is subject to viability, and information in the Unit Outlines is subject to change prior to the commencement of the teaching period.
